RANDOM ACTS OF CONTENT

A Collaborative Project of Object Narratives

June 23 – August 12

Random Acts of Content is a collaborative project that asks the community to partake in a larger dialogue focused on art making and storytelling. Members of the community were invited to submit one photograph of a single object, characterized by premdominately one color that carried some significance to them. In conversation with the adjacent exhibition, *Xavier Cázares Cortéz: FINGERS ARE CROSSED just in case*, selected submissions were chosen for exhibition in the Culver Center of the Arts and presented within a curated installation.

Curator: Jennifer Frias

ACTOS FORTUITOS DE CONTENIDO

Un acto colaborativo de narrativas de objetos

Junio 23 – Agosto 12, 2018

Random Acts of Content [Actos fortuitos de contenido] es un proyecto colaborativo que pide a la comunidad participar de un diálogo más amplio centrado en la creación artística y la narración. Se invite a miembros de la comunidad a enviar una fotografía, un solo objeto caracterizado en un solo color, que tuviera cierto significado para ellos. En diálogo con la exhibición adyacente, *Xavier Cázares Cortéz: FINGERS ARE CROSSED just in case [LOS DEDOS ESTÁN CRUZADOS por si acaso]*, se hizo una selección de las contribuciones para la exhibición en el Culver Center of the Arts [Centro Culver de las Artes] y se presentaron dentro de una instalación curada.

Curadora: Jennifer Frias
